EU Directives 2011/65/EU

Ladies and gentlemen,

After considering the requirements of the EU Directives 2011/65/EU and the extension Directives 2015/863 we can give you the following information:

The components supplied to you are ROHS compliant, they do not contain hazardous substances that are mentioned in the above policy.

For any questions, please contact us at any time.

Best regards,

Mick van Wijk
